
A man and a woman are standing in a modern office space. The man, on the left, has a beard and is wearing a dark blue jacket over a light-colored shirt and dark trousers. The woman, on the right, has blonde hair and is wearing an orange t-shirt and brown pants. They are standing in front of a white rectangular table with several grey chairs. The room has large windows with black frames, a wooden floor, and a white wall with a hexagonal clock. A small potted plant sits on the table.

Gostaria de saber se
temos feito muitas
vendas com valores
abaixo do preço de
tabela.

Podemos gerar dados
que mostrem vendas
com as diferenças entre
o preço de tabela do
produto, com o preço
praticado na venda.

A man and a woman are standing in a modern office or meeting room. The man, on the left, has a beard and is wearing a dark blue jacket over a light-colored shirt and dark trousers. The woman, on the right, has reddish-brown hair and is wearing an orange t-shirt and brown trousers. They are standing in front of a long white table with several grey chairs. There are large windows on the left and right sides of the room, and a small potted plant sits on the table. The ceiling has exposed pipes and a hexagonal light fixture is on the wall.

Parece ótimo! Além da diferença e dos preços, seria interessante ver a quantidade da venda, ordenado pela diferença!

Creio ser possível, vamos providenciar!
